optional
First and Second Year Connections, Non-Residential $41,700

Includes:
- Summer Term (starts around July 3)
- Fall Term
- Spring Term
- Core Term (ends around July 3)

Payment Plans
- Annual: $41,700 due May 1
- Four payments: $10,425 due May 1, July 1, October 1, December 1
- Eight payments: $5,212.50 due on the 1st from May to December

We have created this all inclusive annual fee for Connections in recognition that students are transitioning to greater independence in all aspects of their lives and benefit from coaching and case management throughout the year. During the summer of transition from Residential to Connections, a student may start a new apartment lease in the community anytime over the summer. Pricing of the Connections or Residential program will not be adjusted to charge more or less based on the move-out date. Likewise, if a student chooses to remain home or travel out of state during the summer, services will be provided remotely and there will be no adjustment to the rate.

Third and Subsequent Years of Connections, Non-Residential $30,900

Includes:
- Summer Term (starts around July 3)
- Fall Term
- Spring Term
- Core Term (ends around July 3)

Payment Plans
- Annual: $30,900 due May 1
- Four payments: $7,725 due May 1, July 1, October 1, December 1
- Eight payments: $3,862.50 due on the 1st from May to December

Available while the student is still enrolled in college. If a student chooses to remain home or travel out of state during the summer, services will be provided remotely.
**Post Grad Connections, Non-Residential**

*The 6 to 12 month period after the student is no longer enrolled in college*

Includes:
- Six months (January thru June OR July to December) of life skills service support, with no access to the Hall meals or activities

**$12,600**

**Payment Plans**
- Per six-month term: $12,600 due May 1 or Nov 1
- Two payments per term: $6,300 due May 1 and August 1 OR Nov 1 and Feb 1
- Six payments per term: $2,100 due on the 1st from May to October OR November to April

*Post Grad Connections supports young adults with the transition out of being full-time students. It focuses on coaching and case management to ease the transition, identify and connect to services and supports in their community, and further develop life skills, including the skills necessary for employment.*

**Discounts**

- Discount if unable to attend Bridge-to-College Orientation **$2,650**
- Discount for Residential Enrollment Only, if unable to attend Core Term **$3,450**

*Incoming/New students are expected to attend both Bridge-to-College Orientation & Core Term. Returning students are expected to attend Core Term. Exceptions are handled on an individualized basis, with prior approval from Mansfield Hall.*

**Other Fees** *to be invoiced separately, if applicable*

- Introduction to College course, first year residential, required **$525 estimated**
- Professional Internship Opportunity **$675 estimated**

**Please Note**

We do our best to keep our tuition as low and as stable as possible, but also need to account for annual increases in our fixed costs. As a result, families can expect tuition increases between 3 and 5% from academic year to year.
